

Score a home run with US-compliant investments

- ◆ SEC-Regulated Portfolio Manager
- ◆ US Tax Reporting Documentation
- ◆ International Investment Options
- ◆ Investment Marketer licensed by the Israel Securities Authority

Americans in Israel face new and complex reporting requirements on their investments and bank accounts. Most Israeli banks and investment companies are unable or unwilling to provide the paperwork that you need to support your tax return. That's why your accountant will be advising you to move your money into US-compliant investment products.

Anglo Capital Limited understands the needs of Anglos in Israel and can help you invest in a wide range of international investments with an SEC-regulated portfolio manager providing all the paperwork you need for the IRS.
